Now that she's back in the atmosphere

G F

With drops of Jupiter in her hair

She acts like summer and walks like rain

G

Reminds me that there's a time to change

C

Since the return from her stay on the moon

G

F

She listens like spring and she talks like June

[Chorus]

G

D

But tell me, did you sail across the sun?

F

Did you make it to the Milky Way to see the lights all faded

C

And that heaven is overrated?

G

D

Tell me, did you fall for a shooting star

One without a permanent scar
And did you miss me while you were looking for yourself out there

[Verse 2]

Now that she's back from that soul vacation
Tracing her way through the constellation
She checks out Mozart while she does taebo
Reminds me that there's a room to grow
Now that she's back in the atmosphere
I'm afraid that she might think of me as plain old Jane
Told a story 'bout a man who was too afraid to fly so he never did land

[Chorus]

But tell me, did the wind sweep you off your feet?
Did you finally get the chance to dance along the light of day
And head back to the Milky Way?
And tell me, did Venus blow your mind?
Was it everything you wanted to find?
And did you miss me while you were looking for yourself out there?

[Bridge]

Can you imagine no love, pride, deepfried chicken?
Your best friend always sticking up for you even when I know you're wrong
Can you imagine no first dance, freeze dried romance, fivehour phone conversation?
The best soy latte that you ever had and me

[Chorus]

But tell me, did the wind sweep you off your feet?
Did you finally get the chance to dance along the light of day
And head back to the Milky Way?

G **D**
And tell me, did you sail across the sun?
F
Did you make it to the Milky Way to see the lights all faded
C
And that heaven is overrated?
G **D**
Tell me, did you fall for a shooting star,
Dm
One without a permanent scar?
F
And did you miss me while you were looking for yourself?

[Outro]

C G F
And did you finally get the chance to dance along the light of day?
C G **F**
And did you fall for a shooting star, fall for a shooting star?
C G **Bb** **F**
And now you're lonely looking for yourself out there.
